

We are fully separate organizations, with overlap in our vision and values, but distinct structures and missions!

### public agency

funded by sales tax, grants, donations to GRG Foundation

### nonprofit organization

funded by grants, memberships, donations, sponsorships

Design & construct greenway trails with communities (walk, run, bike, roll)

Establish conservation projects along the way

Promote & take care of greenways with our partners & volunteers

**Both have:**

Vision for a safe, active, connected region for all

Commitment to community voices & equitable outcomes

Lead transportation policy & advocacy efforts with local leaders

Encourage people to walk, bike & use public transit with education, events & rides

Assist communities with planning & engagement for safer ways to get around
